The White Cliffs Of Dover

The Righteous Brothers

There'll be bluebirds over
The white cliffs of Dover
Tomorrow
Just you wait and seeThere'll be love and laughter
And peace ever after
Tomorrow
When the world is freeThe shepherd will tend his sheep
The valley will bloom again
And Jimmy will go to sleep
In his own little room againThere'll be bluebirds over
The white cliffs of Dover
Tomorrow
Just you wait and seeJust you wait and see
When the world is free
Just you wait and see
When the world is freeWhen the world is free
Come on and wait and see
When the world is free
You gotta wait and see
