

The Motivation Proclamation

Good Charlotte

Spend your lazy, endless crazy days, inside my head,
You're so selfish, you're not the only one who thinks he's dead
I'm paid to smile, now I'm on trial for what you think I said
'Cause I never said that everything would be ok
And I never said that we would live to see another day

Motivate me, I want to get myself out of this bed
Captivate me, I want good thoughts inside of my head
When I fall down would you come around and pick me right up off the ground

I'm un-artistic, I'm un-realistic
You say I'm selfish and absurd
You try to change me, you try to save me
You say I'm gonna learn, I'm so blind
I'm out of time, You're so unkind sometimes
I never lied, I never lied, I never lied

'Cause everything it'll be OK
You know we're gonna live to see another day
Yeah, yeah
Motivate me yeah
Motivate me yeah
