

You

Ellen Allien

Next city next stop
Wake up in the morning
And I'm still weary

Eyes of people staring in my mind
I close my eye
I hear the sound of the night

Next city next stop
Here I am
Awake my mind is clear
Next city next stop
Here I am

Alarm is ringing
I have to leave
My train is gone
I close my eyes
I see you and you
I see you and you

Spooky crazy world
It's good to fly by
I'm not afraid
I'm ready
spooky world

Eyes of people staring my mind
I close eye
I hear the sound of the night

Next city next stop
Here I am
Awake my mind is clear
Next city next stop
Awake my mind is clear

Alarm is ringing
I have to leave
My train is gone

I close my eyes
I see you and you
I see you and you
