Your Word

Chandra Currelley

Chorus
Your Word, Your Word, Your Word
Will never fail us
Your Word, Your Word, Your Word
It shall prevail us
Our eyes are blind
But I know that You can heal us
Our tears are silent
I know that You can hear us
Verse 1
If He said it
He's gonna do it
Stand on His promises (Imani, Shanice and Flex)
And He's able
To perform it
Just believe what He said (You hear me Kelly and Jeff)
Though it tarry
You just wait for it
Just believe what He said
Chorus
Verse 2
If He said
He's gonna do it
Stand on His promises (I'm talking to you Fred)
And He's able
To perform it

Just believe what He said (I'm talking to you Deitrick)
Though it tarry
You just wait for it
Just believe what He said
