Everlasting Love

Rufus

When I feel you dreaming
I think of sunsets
How high my high getsI wanna give to you an everlasting love
I fill your life with a satisfying love
All you need is an everlasting love
All you want is a satisfying loveSun breezes, moonlight teases
Friendly invasion
Late night persuasionI wanna give to you an everlasting love
I fill your life with a satisfying love
All you need is an everlasting love
All you want is a mystifying loveEach time you pass me by
You saw me fade away
I'll give you more each dayI'll give you everlasting love
I fill your life with a satisfying love
All you need is an everlasting love
All you want is a mystifying loveI wanna give to you an everlasting love
Wanna fill your life with a satisfying love
All you need is an everlasting love
All you want is a mystifying loveI wanna give to you an everlasting love
Wanna fill your life with a satisfying love
All you need is an everlasting love
All you want is a mystifying loveI wanna give to you an everlasting love
I wanna fill your life with a satisfying love
All you need is an everlasting love
All you want is a mystifying love
