

Praise And Worship You

Kurt Carr & The Kurt Carr Singers

Praise and worship you
And I will praise and worship you
I love to praise and worship
Forever worship you To thank you
For all the good you do
The least that I can do is dedicate my life,
Lord to praise and worship you For the marvelous things you've done for me
For the awesome mighty work you blessed my eyes to see
I will praise you from my heart with sincerity To thank you
For all the good you do,
The least that i can do is
Dedicate my life,
Lord to praise and worship you
Praise and worship you
And I will praise and worship you
I love to praise and worship
Forever worship you To thank you
For all the good you do,
The least that i can do is
Dedicate my life,
Lord to praise and worship you Halleluyah Dear Jesus
Halleluyah My Jesus
Halleluyah To praise and worship you Holy Holy Holy Holy Holy Holy Holy,
Are you Lord
For the marvelous things you've done for me
For the awesome mighty work you blessed my eyes to see
I will praise you from my heart with sincerity
To thank you
For all the good you do,
The least that I can do is
Dedicate my life,
Lord to praise and worship you For the marvelous things you've done for me
For the awesome mighty work you blessed my eyes to see
I will praise you from my heart with sincerity To thank you
For all the good you do,
The least that I can do is
Dedicate my life,
Lord to praise and worship you Forever Worship You...
