I Live For You

Anouk

You tell me that you need to spend sometime alone
You tell me that you think it's best if I'd go home now
I get my coat from off the floor, I'm out the door
Walking home alone, my love has left
My head, my heart all torn apart
My mind's exploding
Crying my eyes out over you, yeah, come on
It must be hard for you to believe that I might love you
Just try to understand I just want you to want me too
You made me fall in love again, you angel
How you take my breath away, I live for you
My head, my heart all torn apart
My mind's exploding
Crying my eyes out over you, yeah

'Cause I live for you, yeah, you you, yeah
It must be hard for you to believe that I might love you anyway
Just try to understand I just wanted you to want me too
My head, my heart all torn apart
My mind's exploding, yeah
My head, my heart all torn apart
My mind's exploding, yeah
Crying my eyes out over you, yeah
I live for you, why won't you live for me?
I live for you, why won't you live for me?
Why won't you live for me?
