

Get Right

Jennifer Lopez

You're lookin' just a little too hard at me
Standin' just a little too close to me
You're sayin' not quite enough to me
You're sippin' just a little too slow for me
No doubt you're playing real cool homie
Got me thinking what is it you do for me
Tripping (tripping) a little more than I should be
So let yourself go and get right with me I'm about to sign you up, we can get right
Before the night is up
We can get right, we can get right, we can get right
I'm about to fill you're cup, we can get right
Before the night is up
We can get right, tonight, we can get right You're lips, talking bout I play too much
Can't a woman take advantage of what she wants
My hips, moving oh so slow, (so slow)
Bar tab looking like a condo, (condo)
All I need is you here right by my side
Take whatever you want, baby let's ride
And whatever you won't do, let me decide
Just put you're name on the dotted line I'm about to sign you up, we can get right
Before the night is up
We can get right, we can get right, we can get right
I'm about to fill you're cup, we can get right
Before the night is up
We can get right, tonight, we can get right So much we've got to say, but so little time
And if tonight ain't long enough, don't leave love behind
(Don't leave this love behind)
Baby, take my hand, I'll show you why I'm about to sign you up, we can get right
Before the night is up
We can get right, we can get right, we can get right
I'm about to fill you're cup, we can get right
Before the night is up
We can get right, tonight, we can get right I'm about to sign you up, we can get right
Before the night is up
We can get right, we can get right, we can get right
I'm about to fill you're cup, we can get right
Before the night is up
We can get right, tonight, we can get right I'm about to sign you up, we can get right
Before the night is up

We can get right, we can get right, we can get right
I'm about to fill you're cup
We can get right
Before the night is up
We can get right, we can get right
