

# Catch My Breath

Kelly Clarkson

(First Verse)

I don't wanna be left behind  
Distance was a friend of mine  
Catching breath in a web of lies  
I've spent most of my life  
Riding waves, playing acrobat  
Shadowboxing the other half  
Learning how to react

I've spent most of my time(First Chorus)

Catching my breath, letting it go, turning my cheek for the sake of the show  
Now that you know, this is my life, I won't be told what's supposed to be right  
Catch my breath, no one can hold  
me back, I ain't got time for that

Catch my breath, won't let them get me down, it's all so simple now(Second Verse)

Addicted to the love I found  
Heavy heart, now a weightless cloud  
Making time for the ones that count  
I'll spend the rest of my time  
Laughing hard with the windows down  
Leaving footprints all over town  
Keeping faith karma comes around

I will spend the rest of my life(Second Chorus)

Catching my breath, letting it go, turning my cheek for the sake of this show  
Now that you know, this is my life, I won't be told what's supposed to be right  
Catch my breath, no one can hold  
me back, I ain't got time for that

Catch my breath, won't let them get me down, it's all so simple now(Bridge)

You helped me see

The beauty in everythingCatching my breath, letting it go, turning my cheek for the sake of this show

Now that you know, this is my life, I won't be told what's supposed to be right(Last Chorus)

Catching my breath, letting it go, turning my cheek for the sake of this show

Now that you know, this is my life, I won't be told what's supposed to be right(Catch my breath)Catch my  
breath, no one can hold me back, I ain't got time for that

Catch my breath, won't let them get me down, it's all so simple now (it's all so simple now)Catching my breath,  
letting it go, turning my cheek for the sake of this show

Now that you know, this is my life, I won't be told what's supposed to be rightCatch my breath, no one can hold  
me back, I ain't got time for that

Catch my breath, won't let them get me down, it's all so simple now
