California Callin'

[Enrique Iglesias](#)

Driving through the night
Tears runnin' down my face
Start to realize
All the things that I once had
I promised you the world
That's nothing more than you deserve
It's killing me inside
To know I put you through this hell
Take away my heart
It doesn't want to work no more
I never meant to make you cry
California callin', twenty miles to go
An' I don't need to, I don't know
Should I turn around
Or should I leave you alone?
No, I don't need to, I don't know
Well, I don't know
No, I don't know
No one on the road
And it feels so cold outside
It's driving me insane
To know how much you hurt tonight
Take away my heart
It doesn't wanna work no more
I never meant to make you cry

California callin', twenty miles to go
An' I don't need to, I don't know
Should I turn around
Or should I leave you alone?
No, I don't need to, I don't know
California callin', twenty miles to go
An' I don't need to, I don't know
Well, I don't know
No, I don't know
California callin', twenty miles to go
An' I don't need to, I don't know
Should I turn around
Or should I leave you alone?

Well, I don't
Well, I don't know
I don't know
Well, I don't know
Well, I don't know
You gotta keep on movin' on
You gotta keep on movin' on
You gotta keep on movin' on
California callin'
California callin'
You gotta keep on movin' on
You gotta keep on movin' on
You gotta keep on movin' on
California callin'
California callin'
