Doesn't Make it All Right

Stiff Little Fingers

Just because you're nobody
It doesn't mean that you're no good
Just because there's a reason
It doesn't mean that it's understoodDoesn't make it all right
It doesn't make it all right
Now, it's the worst excuse in the world
And it doesn't make it all rightJust because you're a black boy
Just because you're a white
It doesn't mean that you've got to hate them
It doesn't mean you got to fightIt doesn't make it all right
Doesn't make it all right
It's the worst excuse in the world
And it doesn't make it all rightDoesn't make it all right
It doesn't make it all right
It's the worst excuse in the world
And it, it doesn't make it all rightSome people think they're really clever
They'll bang your head against a wall
And then they'll say 'you got it my way'
They really think they know it allBut it doesn't make it all right
It doesn't make it all right
'Cause it's the worse excuse in the world
It doesn't make it all rightNo!
Go!
Hah!Doesn't make it all
Doesn't make it all
Doesn't make it all
Doesn't make it all rightDoesn't make it all
Doesn't make it all
Doesn't make it all
Doesn't make it all rightDoesn't make it all
Doesn't make it all
Doesn't make it all
Doesn't make it all rightDoesn't make it all
Doesn't make it all
Doesn't make it all
Doesn't make it all rightAll right, all right, all right, all right, all right, all right
Doesn't make it all right, all right, all right, all right, all right, all right
Doesn't make it all right
Doesn't make it all

Doesn't make it all
Doesn't make it all
Doesn't make it all rightDoesn't make it all
Doesn't make it all
Doesn't make it all
Doesn't make it all right, all right, all right, all right, all right, all rightDoesn't make it all right, all right, all right, all right, all right
Doesn't make it all right, all right, all right, all right, all right (does it make it all, does it make it all)
Doesn't make it all right, all right, all right, all right, all right (does it make it all, does it make it all)
Doesn't make it all rightDoesn't make it all
Doesn't make it all
Doesn't make it all right
