

Spirit Thing (Going Public)

Newsboys

It's not a family trait,
It's nothing that I ate,
And it didn't come from skating with Holy Rollers, It's an early warning sign,
It keeps my life in line,
But it's so hard to define,
Never mind[Chorus:]
It's just a spirit thing,
It's just a holy nudge,
It's like a circuit charge in the brain.
It's just a spirit thing,
It's here to guard my heart,
It's just a little hard to explain. It pushes when I quit,
It smells a counterfeit,
Sometimes it works a bit like a teleprompter When it's teleprompting you,
I pray you'll let it through,
And I'll help you with the how,
But for now[Chorus] I took the long way,
Bent back down again,
Some things will never
Ever be explained.
No they can not be explained
Yeah[Chorus: x3]
