

# War Song

Kiley Dean

I know you say it's okay  
I know you say you're coming back some day  
You wanna help the people  
I really don't wanna see you go  
Granny and mom were so, so brave  
But me and Dust don't really feel the same  
Doesn't anybody care what we say  
I know America is not safe But I don't wanna see my daddy go to war  
I don't wanna see my daddy go to war  
I don't wanna see my daddy go to war, go to war  
I don't wanna see my daddy go to war I've heard about the war on TV  
Don't really know what those big words mean  
I know a lot of people seem to think  
That you're doing the right thing  
But me and Dust don't care what they think  
We understand you want to change some things  
It isn't fair that often what I can't see  
That they can take my dad from me But I don't wanna see my daddy go to war  
I don't wanna see my daddy go to war  
I don't wanna see my daddy go to war, go to war  
I don't wanna see my daddy go to war Oh, there must be another way  
Somehow, some way you've gotta sta  
On a great big wall I don't wanna see your name  
(Oh, no, no)  
If they ask me then I'll say (Don't take him) Oh, I don't wanna see my daddy go to war  
I don't wanna see my daddy go to war  
I don't wanna see my daddy go to war, go to war  
I don't wanna see my daddy go to war But I don't wanna see my daddy go to war  
I don't wanna see my daddy go to war  
I don't wanna see my daddy go to war, go to war  
I don't wanna see my daddy go to war  
Oh no no no  
Oh no no
