

No Surprise

Daughtry

I've practiced this for hours, gone 'round and 'round
And now I think that I've got it all down
And as I say it louder I love how it sounds
'Cause I'm not taking the easy way out Not wrapping this in ribbons
Shouldn't have to give a reason why It's no surprise, I won't be here tomorrow
I can't believe that I stayed till today
Yeah, you and I will be a tough act to follow
But I know in time we'll find this was no surprise It came out like a river once I let it out
When I thought that I wouldn't know how
Held onto it forever just pushing it down
Felt so good to let go of it now Not wrapping this in ribbons
Shouldn't have to give a reason why It's no surprise I won't be here tomorrow
I can't believe that I stayed till today
There's nothing here in this heart left to borrow
There's nothing here in this soul left to say Don't be surprised when we hate this tomorrow
God knows we tried to find an easier way
Yeah, you and I will be a tough act to follow
But I know in time we'll find this was no surprise Our favorite place we used to go
The warm embrace that no one knows
The loving look that's left your eyes
That's why this comes as no, as no surprise If I could see the future and how this plays out
I bet it's better than where we are now
But after going through this
It's easier to see the reason why It's no surprise, I won't be here tomorrow
I can't believe that I stayed till today
Yeah, you and I will be a tough act to follow
But I know in time we'll find this was no surprise The kiss goodnight, it comes with me
Both wrong and right, our memories
The whispering before we sleep,
Just one more thing that you can't keep Our favorite place we used to go
The warm embrace that no one knows
The loving look that's left your eyes
But I know in time we'll find this was no surprise
