

# Do You Remember the First Time?

## Pulp

You say you've got to go home  
'Cos he's sitting on his own again this evening  
I know you're gonna let him bore your pants off again  
Oh now, it's half past eight, you'll be late Oh, but you say your not sure  
Though it makes good sense for you to live together  
Still you bought a toy that can reach the places he never goes  
And now it's getting late, it is so straight Do you remember the first time?  
I can't remember a worse time  
Oh, but you know that we've changed so much since then  
Oh yeah, we've grown  
Now I don't care what you're doing  
No, I don't care if you screw him  
Oh, just as long as you save a piece for me  
Oh yeah, oh, ooh You wanna go home  
Well, at least there's someone there that you can talk to  
And you never have to face up to the night on your own  
Jesus, it must be great to be straight Do you remember the first time?  
I can't remember a worse time  
Oh, but you know that we've changed so much since then  
Oh yeah, we've grown  
Now I don't care what you're doing  
No, I don't care if you screw him  
Oh, just as long as you save a piece for me  
Oh yeah, oh, ooh You wanna go home  
Oh yeah, you wanna go home  
Oh yeah, you wanna go home  
Ooh, yes, you wanna go home Do you remember the first time?  
I can't remember a worse time  
Oh, but you know that we've changed so much since then  
Oh yeah, we've grown  
Now I don't care what you're doing  
No, I don't care if you screw him  
Oh, just as long as you save a piece for me  
Oh yeah, oh Do you remember the first time?  
I can't remember a worse time  
Oh, but you know that we've changed so much since then  
Oh yeah, we've grown  
Well, now I don't care what you're doing  
No, I don't care if you screw him

Oh, just as long as you save a piece for me  
Oh yeah, oh, ooh You wanna go home
