Does Anybody Really Know What Time It Is

Chicago

As I was walking down the street one day
A man came up to me and asked me what the time was that was on my watch, yeah
And I saidDoes anybody really know what time it is (I don't)
Does anybody really care (care about time)
If so I can't imagine why (no, no)
We've all got time enough to cryAnd I was walking down the street one day
A pretty lady looked at me and said her diamond watch had stopped cold dead
And I saidDoes anybody really know what time it is (I don't)
Does anybody really care (care about time)
If so I can't imagine why (no, no)
We've all got time enough to cryAnd I was walking down the street one day (people runnin' everywhere)
Being pushed and shoved by people (don't know where to go)
Trying to beat the clock, oh, no I just don't know (don't know where I am)
I don't know, I dont know, oh (don't have time to think past the last mile)
(Have no time to look around) And I said, yes I said (run around and think why)Does anybody really know what time it is (I don't)
Does anybody really care (care about time)
If so I can't imagine why (no, no)
We've all got time enough to dieEverybody's working (I don't care)
I don't care (about time)
About time (no, no)
I don't care
