

# Does Anybody Really Know What Time It Is

## Chicago

As I was walking down the street one day  
A man came up to me and asked me what the time was that was on my watch, yeah  
And I said Does anybody really know what time it is (I don't)  
Does anybody really care (care about time)  
If so I can't imagine why (no, no)  
We've all got time enough to cry And I was walking down the street one day  
A pretty lady looked at me and said her diamond watch had stopped cold dead  
And I said Does anybody really know what time it is (I don't)  
Does anybody really care (care about time)  
If so I can't imagine why (no, no)  
We've all got time enough to cry And I was walking down the street one day (people runnin' everywhere)  
Being pushed and shoved by people (don't know where to go)  
Trying to beat the clock, oh, no I just don't know (don't know where I am)  
I don't know, I don't know, oh (don't have time to think past the last mile)  
(Have no time to look around) And I said, yes I said (run around and think why) Does anybody really know what  
time it is (I don't)  
Does anybody really care (care about time)  
If so I can't imagine why (no, no)  
We've all got time enough to die Everybody's working (I don't care)  
I don't care (about time)  
About time (no, no)  
I don't care
