

Tomorrow Became Yesterday

Billy Ray Cyrus

Nah nah nah nah nah
We were young barely out of school
fell in love like lovers do
and whole world seem brand new,
na na na na na.
A little girl and a little boy
I would share then all each day
another dream came true.
Somehow all just slipped away
oh how memory face
sun and sky turned to gray
tomorrow became yesterday.
Had a smile and I'd recalling
I see you laughing there in the hall
with that look in your eyes
used to talk for hours on him
dreamed up forever remember when
the only thing I didn't love was saying goodbye
Now were standing here on the fridge
not really knowing just what to say
should I go or should I stay
tomorrow became yesterday
tomorrow became yesterday
Tomorrow became yesterday.

We were young barely out of school
fell in love like lovers do
and whole world seem brand new,
na na na na na,
na na na na na.
I never dreamed to the chance
not aloud to be arranged
I look around and you'll be gone
somehow you'll just move on
now it's time to turn page
walk away to another stage
I pray to God this memory never fades
tomorrow became yesterday.
.what you wanna.

.you were gone
never.to change.to rearrange
move around and you'll be gone
somehow you'll move on
now it's time to turn page
walk away to another stage
I pray to God this memory never fades
tomorrow became yesterday
tomorrow became yesterday.
We were young barely out of school
fell in love like lovers do
and whole world seem brand new.
