

Multicolored Hummingbird

[Rebekka Karijord](#)

I don't wanna sing
I'd rather be the song
I don't wanna sing I'd rather be the song locked inside my chest
shut down for far too long finally getting heard multicolored hummingbird
take me along let me be that song I don't wanna dance
I'd rather be the movement
I don't wanna dance I'd rather be the movement
petrified inside our hands
frozen in our feet finally getting heard
multicolored hummingbird
I'm free in a glance let me be that dance
I don't wanna speak
I'd rather be the words no
I don't wanna speak
I'd rather be the words
trying to fetch the mystery between you and me
finally getting heard multicolored hummingbird
Hummingbird
Let me be that dance that song and those word
Hummingbird
Let me be that dance be that song be those words
I don't wanna sing
I'd rather be the song
I don't wanna sing
I'd rather be the song locked inside my chest
shut down for far too long finally getting heard multicolored hummingbird
take me along let me be that song
I don't wanna dance
I'd rather be the movement
I don't wanna dance
I'd rather be the movement petrified inside our hands frozen
in our feet finally getting heard multicolored hummingbird
I'm free in a glance let me be that dance
