## The Four Seasons

I've got you under my skin  
I've got you deep in the heart of me  
So deep in my heart, you're really a part of me  
I've got you under my skin I've tried so not to give in  
I've said to myself this affair never will go so well  
But why should I try to resist when darling I know so well  
I've got you under my skin Sacrifice anything, having you near  
In spite of the warning that repeats  
Don't you know you never can win  
Use your mentality, wake up to reality  
But each time I do, just the thought of you  
Makes me stop before I begin Oh baby under my skin  
Baby, baby you under my skin Don't you know that each time I do  
Just the thought of you makes me stop before I begin  
Under my skin  
Never win, never win  
Never win, never win  
No no, never win, never win  
Never win, never win  
No no, never win, never win  
Never win, never win  
No no, never win, never win  
Never win, never win
