I Wanna Go (Faustix & Imanos Remix)

Yuna

He's one in a million
I don't know when I'll be seeing him again
He wants to live in a city
Moved out there and he was just seventeen
Just seventeenNo I'm not prepared,
No I'm not prepared, my heart's beating really fast,
Really fast
But I wanna go there, but I wanna go there
Let's walk a little further,
You know I wanna be hereI wanna go wherever,
Whenever you wanna go wherever you wanna
I wanna go with you
I wanna go wherever,
Whenever you wanna go wherever you wanna
Can I go with you?He stares so politely
I'm best behaving when he's walking with me,
Walking with me
Oh, he likes taking photos in black and white
They're up on his walls, on his wallsNo I'm not prepared,
No I'm not prepared, my heart's beating really fast,
Really fast
But I wanna go there, but I wanna go there
Let's walk a little further,
You know I wanna be hereI wanna go wherever,
Whenever you wanna go wherever you wanna
I wanna go with you
I wanna go wherever,
Whenever you wanna go wherever you wanna
Can I go with you?I wanna go wherever,
Whenever you wanna go wherever you wanna
I wanna go with you, yeah
I wanna go wherever,
Whenever you wanna go wherever you wanna
Can I go with you?
Yeah
