

I Wish

Jo Dee Messina

It's not easy sayin' this to you
It's the hardest thing I've ever had to do
But boy, before you go, I want you to know I wish you strength when times are hard
Oh, I wish with all my heart
You find just what you're lookin' for I wish you joy, I wish you peace
And that every star you see is within your reach
And I wish you still loved me I wish that things were different, you know that
But I'm still happy for the times we had
You mean the world to me, oh, baby, please believe I wish you strength when times are hard
Oh, I wish with all my heart
You find just what you're lookin' for I wish you joy, I wish you peace
And that every star you see is within your reach
And I wish you still loved me Oh, losin' you is tearin' me apart
But a part of me will be with you
No matter where you are I wish you strength when times are hard
Oh, I wish with all my heart
You find just what you're lookin' for I wish you joy, I wish you peace
And that every star you see is within your reach
And I wish you still loved me
Oh, I wish you still loved me
