Busy

Kiley Dean

Come on, come on
Come on, come on
Come on, come on
Kiley, TimothyMy cell phone rang
It's my girl Lorraine
****In high-pitch range like she's in pain
My mood changed when she told me why
I swear, I dang near lost my mind
Her boyfriend, apparently
Forgot their anniversary
I tried real hard to hold my tongue
But I'm at work
And she's on one, now whatWhat you want me to do about that
I'm busy now
What ya call me for
If you don't understand me then
Let me break it down (ooh)
Don't want to hear no more
It'd be different if you would call me
Just to say what's up (what's up, yea)
I really don't have time
To be giving advice to you
Now I'm hanging up (hangin' up)
Don't wanna hear you whineMy candles lit
My music low
My evening's free
So I'm in chill mode
I'm in the tub
When my home phone rings
But I'm like "Voicemail, do your thing."
They called back twice
And I gave in
Picked up expecting Timbaland
I said 'hello' tryin' to sound real rude
It was Tina on the line
Tryin' to borrow some shoes
I'm like 'What?'What you want me to do about that
I'm busy now (I'm busy now)
What ya call me for

If you don't understand me then
Let me break it down (let me break it down, no no)
Don't want to hear no more
It'd be different if you would call me
Just to say what's up (just to say what's up)
I really don't have time
To be giving advice to you
Now I'm hanging up (I'm hangin' up)
Don't wanna hear you whine"Kiley, don't be so mean."
If I'm so mean
Quit callin' me
You don't care if I'm doin' my thing
Cause my phone still rings
And it bothers me
"It's an emergency."
Well call the police
If it's really that deep
I know it's not really that deep
So relax yourself
And quit harassing meWhat you want me to do about that
(What you want me to do about it?)
I'm busy now (I'm busy now, yea)
What ya call me for
If you don't understand me then
Let me break it down (let me break it down)
Don't want to hear no more (Ooh)
It'd be different if you would call me
Just to say what's up (what's up)
I really don't have time
To be giving advice to you (to be givin' advice to you)
Now I'm hanging up (I'm hangin' up)
Don't wanna hear you whine (whine, no no)Come on, come on
La da da da da da da da
La da da da da da da da ba da daDon't bother us
We're busy right now
Don't bother us
