

Fallin' In Love

David Hasselhoff

Baby, baby fallin' in love
Fallin' in love again
Baby, baby fallin' in love
Fallin' in love again I could never see
What fate had planned for me
And then you came
And made my dream This man's reality, maybe you can see
All the things you meant to me
But my simple fate is at the gate
And girl you've got the key Baby, baby fallin' in love
Fallin' in love again
Baby, baby fallin' in love
Fallin' in love again It seems like yesterday
You and I first felt this way
But now I know our love can grow
In each and every day We lay at midnight's hour
And feel love's hidden power
So strong and bold as love unfolds
It's mystery to me Baby, baby fallin' in love
Fallin' in love again
Baby, baby fallin' in love
Fallin' in love again
