

# Saving All My Sinning

## Lake Street Dive

I know you know me as the girl who's always alone  
I know you never see me take anybody home  
I know you never see me cry  
Never see me say goodbye  
Now we're kissing on the sly But I don't think you know what I feel inside  
Can't you see this is only the beginning?  
I'm a good girl but I'm saving all my sinning  
For you And now there's nothing that we can't do  
I've been a good girl for so long  
I deserve to do something wrong  
I see you looking at me like I'm a little child  
Like a virtuous angel to be defiled Everybody wants to be the guy  
Who takes the angel from the sky  
You know I'd like to see you try  
But I don't think you know what I feel inside  
Can't you see this is only the beginning?  
I'm a good girl but I'm saving all my sinning  
For you
