

Feelin' Alive

Jonas Brothers

Hey!
This is the night, this is the night
Hey!
Feelin' alive, feelin' alive My heart goes boom as the stars go blue
Like a sea of cell phone lights
The moon gets light as the sun goes down
Somewhere behind the Hollywood sign Have you ever felt like you're livin' in the shadows
Have you ever felt kept out
I know sometimes that it feels like a battle
But it can turn around Hey!
This is the night, this is the night
Hey!
Feelin' alive, feelin' alive The kick drum starts as the boulevard
Filled up with all the boys and the girls
From Jersey town to the L.A. crowd
They're hearing us all over the world Have you ever felt like standin' on a rooftop?
Have you ever wanted to scream?
Everybody dance, burn it up 'till we blast off
Just like a rocket machine Hey!
This is the night, this is the night
Hey!
Feelin' alive, feelin' alive 'Cause we're not alone tonight
So raise up your hands and touch the sky
'Cause we're not alone tonight
Oh whoa oh whoa Hey!
This is the night, this is the night, yeah
Hey!
Feelin' alive, feelin' alive
(Feelin' alive) Hey!
This is the night, this is the night
(This is the night)
Hey!
Feelin' alive, feelin' alive (feelin') Hey!
This is the night, this is the night
(Can you feel it?)
Hey!
Feelin' alive, feelin' alive Hey!
This is the night, this is the night
Hey!

Feelin' alive, feelin' alive
