Crazy Mary

FM Static

Crazy Mary's a slow girl who looks up to no one
Would do anything for a cold one
Wishes she could find her way homeGot the look on her face
And her stare's like a ray gun
As we walked by everything and
I wished there's something I could do for herMay be If I
Took a little time to talk
Then she'd heal a little if she wants to
She can run but let's teach her
How to walk away now
I'll shake a little if she wants to
Laugh a little if she needs to
There's a key to the door that she's hiding behindShe watches the world pass her by like a freight train
And they all call her the same names
Laughing as they point and stare at herSo she cries out to god up in heaven
Been praying since she was eleven
For him to send someone to meet her thereMay be If I
Took a little time to talk
Then she'd heal a little if she wants to
She can run but let's teach her
How to walk away now
I'll shake a little if she wants to she'll
Laugh a little if she needs to
There's a key to the door that she's hiding behindAnd no one knows the thoughts and the dreams and ideas
That she's got and contains inside
She's so broken apart
And her hearts is still looking for somewhere to feel alrightAnd no one knows the thoughts and the dreams and ideas
That she's got and contains inside
She's so broken apart
And her hearts is still looking for somewhere to feel alright
May be If I
Took a little time to talk
Then she'd heal a little if she wants to
She can run but let's teach her
How to walk away now
I'll shake a little if she wants to she'll
Laugh a little if she needs to
There's a key to the door that she's hiding behind
