

Hollow

Stutterfly

No, don't drag me down! All this sickness, hard to swallow.
Eats my insides, until I'm hollow.
Indecision, fornication.
Contemplation, to damnation. This world is a breeding ground.
Take a look at the bleeding ground.
Adoration, temptation.
Contemplation, to frustration.
You'll fall apart. don't drag me down.
You rule this world, with a synthetic crown. Kill each other for no reason.
To go against it, this is treason.
Action reaction. action reaction! All this sickness, forced to swallow.
Fills me inside, I must follow.
Is this is what you want to see?
This is going to piss me off, I will not agree. You'll fall apart. don't drag me down.
You rule this world, with a synthetic crown.
Go
Is this what you want to see?
This is going to piss me off, I will not agree!
