

Lionheart (Demo)

Blind Guardian

Just let me out of here
Speak to me
It all would be easier
I want to talk to you
Who is that?
Do I hear a whisper?
Or do I hear a cry?
Across the brown land
The stumps of time Oh turn the wheel and heal me
Since moonlights fade
I'm empty - heal me I'm in search of the Lion heart
I am ashamed
I myself can't make it
Drown Ulysses
Drown here in the silence
Cause down to Hades I've gone
But I cannot get out Down below
I can't free my mind
Soon I will fade away
Down below
I can't free my mind
Soon I will fade "Tic Tac" is the message
And the lunatic fears
He is no more Speak to me
It all would be easier
While I'm passing by
What's that?
Do I hear a whisper?
Or do I hear a cry?
Across the brown land
The ghost arrives Pick up my bones and
Tell me
Is this the "Lake of Fire"?
Hell?
Please I'm in search of the Lion heart
Nobody else
But the pure can save me
Drown Ulysses
Drown here in the silence

Cause down to Hades I've gone
But I cannot get out Ruins rule my memories
I can't recall the signs
Invite the dead
Then silence struck my mind Silence is madness
"Tic Tac Tic Tactic"
Says the clock Just let me out of here
Speak to me
It all would be easier
I want to talk to you
Hear me Welcome to this sad place
And hand me what is mine
I'm the Theban prophet
The dead and blind And from the sea you'll feel me
Then you'll breath out gently
Leave me I'm in search of the Lion heart
I am ashamed
I myself can't make it
Drown Ulysses
Drown here in the silence
Cause down to Hades I've gone
But I cannot get out
