We are

Ana Johnsson

See the devil on the doorstep now (my oh my)
Telling everybody oh just how to live their lives
Sliding down the information highway
Buying in just like a bunch of fools
Time is ticking and we can't go back (my oh my)What about the world today
What about the place that we call home
We've never been so many
And we've never been so aloneYou keep watching from your picket fence
You keep talking but it makes no sense
You say we're not responsible
But we are, we are
You wash your hands,you come come out clean
But fail to recognize the enemy's within
You say we're not responsible
But we are, we are, we areOne step forward making two steps back (my oh my)
Riding piggy on the bad boys back for life
Lining up for the grand illusion
No answers for no questions asked
Lining up for the execution
Without knowing whyYou keep watching from your picket fence
You keep talking but it makes no sense
You say we're not responsible
But we are, we are
You wash your hands and come out clean
But fail to recognize the enemy's within
You say we're not responsible
But we are, we are, we areIt's all about power
By taking control
Breaking the will
And raping the soul
They suck us dry till there's nothing left
My oh my, my oh myWhat about the world today
What about the place that we call home
We' ve never been so many
And we've never been so aloneSo alone
You keep watching from your picket fence
You keep talking but it makes no sense
You say we're not responsible
But we are, we are

You wash your hands and come out clean
But fail to recognize the enemy's within
You say we're not responsible
But we are, we are, we areIts all about power (we are)
Taking control (we are)
Breaking the will (we are, we are)
And raping the the soul (we are)
They suck us dry till there's nothing left (we are, we are)
My oh my, my oh myWe are
We are (its all)
We are
We are, we are (taking control)
We are
We are
Its all about power
And taking control
