Be Near

Shane & Shane

You are all
big and small
beautiful
and wonderful
to trust in grace through faith
but i'm asking to taste...for dark is light to You
depths are height to You
far is near
but Lord, i need to hear from Yoube near, oh God
be near, oh God of us
Your nearness is to us our good
be near, oh God
be near, oh God of us
Your nearness is to us our good, our goodYour fullness is mine
revelation divine
but, o, to taste
to know much more than a page
to feel Your embrace...for dark is light to You
the depths are height to You
far is near, but Lord
i need to hear from Yoube near, oh God
be near, oh God of us
Your nearness is to us our good
be near, oh God
be near, oh God of us
Your nearness is to us our good, our good
