

# Be Near

## Shane & Shane

You are all  
big and small  
beautiful  
and wonderful  
to trust in grace through faith  
but i'm asking to taste...for dark is light to You  
depths are height to You  
far is near  
but Lord, i need to hear from You be near, oh God  
be near, oh God of us  
Your nearness is to us our good  
be near, oh God  
be near, oh God of us  
Your nearness is to us our good, our good Your fullness is mine  
revelation divine  
but, o, to taste  
to know much more than a page  
to feel Your embrace...for dark is light to You  
the depths are height to You  
far is near, but Lord  
i need to hear from You be near, oh God  
be near, oh God of us  
Your nearness is to us our good  
be near, oh God  
be near, oh God of us  
Your nearness is to us our good, our good
