## J̄enette

Yeah, yeah, yeah

Yea, yea

Yeah, yeah, yeah

Yea, yea

Yeah, yeah, yeah

Yeah, yeah, yeah

### Verse 1

Lets go yâ€™™all I'm ready to bounce  
Turn up the radio I love to hear them sounds  
Stop by the corner store right by that compound (cause I'm)  
Feeling real good, got to go out  
VIP in the club right now  
Haters on the trace, bets believe they back down (cause I)  
Got 'em on ten bout time we show out (cause we)  
Lookin so fly see all them open mouths  
Fellas tryin to holla, got to feel proud (but I'm)  
Focused on my enemy in case it goes down  
Watch what you say cuz karma comes round  
When you hear me already know that the beat pound

### Chorus

Turn it up  
If with it and you really wanna feel it  
Turn it up  
Cause the base knock feel it in yo spirit  
Turn it up  
The vibe right already know i'm gone burn it up  
So gone turn it up yup  
Gone turn it up

### Verse 2

Don't need the fame gettin money ainâ€™™t a struggle  
Move across the world like the cupid shuffle (I got)  
Eight figures on my brain stay on my hustle  
Push hoes down like I got big muscles  
Feeling myself cause if I don't who will  
Haters steady talkin but I feel myself still  
Top is where I aim, get ready to fall

Not gone share that fame, I want to have it all  
I say all, talking bout the whole globe  
Even aliens love me cause I am dope (Iâ€™™m so)  
Illegal on the track cause I keep em addicted  
Keep my city going we ain't never been restricted  
No female in the game can come like this one  
You been out for a while it's bout time that we missed ya  
I love your fans and they want to take my picture  
Post it up on site and yeah it's official

#### Chorus

Turn it up  
If with it and you really wanna feel it  
Turn it up  
Cause the base knock feel it in yo spirit  
Turn it up  
The vibe right already know i'm gone burn it up  
So gone turn it up yup  
Gone turn it up

#### Westley Feature

I'ma go in on these niggas  
Turn it up 900 degrees  
Chi town  
Southside  
We ride all night  
Anything you want, we freeze  
Any moment, any time I please  
Westley do this shit with ease  
Spitting flows to your spirit  
thatâ€™™ll take you back and forth  
From yoâ€™™ head to yoâ€™™ knees  
What you know about this  
Better yet, what you know about gâ€™™s  
Iâ€™™ma hold my own, in the end  
No one gone out rap me but me  
I spit these keys  
Come back like fees  
Females get addicted to the way I lean  
So they just ride my â€™œdâ€™•  
No make believe  
I make â€™~em see  
Me, switchinâ€™™ flow so faithfully  
Is that what you ask of me

Stop with that blasphemy  
Get hit with a blast from he  
9-11 shot, catastrophe  
Both Jâ€™s Dupree  
No affiliation I mean JÃ;e E  
Holdin it down for the Chi city  
Letting niggas know she ride with me  
Ainâ€™t a damn thing so I proceed  
Pros in the game like Ivy League  
Stay on my square like property  
As we turn up the heat on history, turn it up

Chorus

Turn it up  
If with it and you really wanna feel it  
Turn it up  
Cause the base knock feel it in yo spirit  
Turn it up  
The vibe right already know i'm gone burn it up  
So gone turn it up yup  
Gone turn it up (2x)

Chi-town who hold it down  
Chi-town I hold it down  
Chi-town I hold it down  
Chi-town who hold it down  
Down, down
