Make Me Wanna Die

The Pretty Reckless

Take me, I'm alive, never was a girl with a wicked mind
But everything looks better, when the sun goes down
I had everything, opportunities for eternity and I
could belong to the night
Your eyes, your eyes, I can see in your eyes, your eyesYou make me wanna die
I'll never be good enough
You make me wanna die
And everything you love will burn up in the light
Every time I look inside your eyes
Make me wanna dieTaste me drink my soul, show me all the things that I
shouldn't know, when there's a new moon on the rise
I had everything, opportunities for eternity and I
could belong to the night
Your eyes, your eyes, I can see in your eyes, your eyes
everything in your eyesYou make me wanna die
I'll never be good enough
You make me wanna die
And everything you love will burn up in the light
Every time I look inside your eyes (I'm running in the
light)
Make me wanna dieI would die for you, my love, my love
I would lie for you, my love, my love (make me wanna
die)
I would steal for you, my love, my love (make me
wanna die)
I would die for you, my love, my loveWe'll burn up in the light...
Every time I look inside your eyes (I'm burning in the
light)
Up inside your eyes (I'm burning in the light)
Look inside your eyes
You make me wanna die
