

# Brick House

## Marty Q

She's a brick house, she's mighty mighty  
And just lettin' it all hang out and she's a brick house  
    And like lady's stacked and that's the fact  
Ain't holding nothing back, she's a brick house  
    We're here together everybody knows  
        This is how the story goes  
        She knows she's got everything  
        That a woman needs to get a man  
        How can she lose with the sex she use  
        36-24-36, what a winning hand  
    She's a brick house, she's mighty mighty  
And she's lettin' it all hang out and she's a brick house  
    And like lady's stacked and that's the fact  
Ain't holding nothing back she's a brick house  
    Yeah she's the one, the only one built like an Amazon  
        The clothes she wears, her sexy ways  
        Make a old man wish for younger days  
    She knows she's built and knows how to please  
        Sure enough to knock a strong man to his knees  
    'Cause she's a brick house yeah she's mighty mighty  
        Just lettin' it all hang out a brick house  
        And like lady's stacked and that's the fact  
        Ain't holding nothing back  
        Brick house yeah she's mighty mighty  
        And just lettin' it all hang out  
    Brick house yeah she's the one the only one  
        Built like a Amazon yeah  
    Shake it down, shake it down, shake it down  
        Oh well brick house
