

Wasting Away

Lo-Pro

I'm wasting away
Waiting for you again
But I can't escape
I just can't break through All the days I
All the days I've watched for you
Are all the ways I've
All the ways I've lost you And I'm wasting away
Waiting for you again
I'm wasting away
Waiting for you again I can't explain
I can't explain why
I'm here again
In spite all the pain
of everything I lost to you And I'm wasting away
Waiting for you again
I'm wasting away
Waiting for you again I'm not far away
From letting go of you
To leave you while I can I'm wasting away
Waiting for you again
I'm wasting away
Waiting for you again And I can't escape
