

# Mercy Never Leaves

## Austins Bridge

Verse 1:

I don't know where you are in your  
life.

'Cause I can see your heart when I look into your  
eyes.

But with so many people filled with  
pain.

I can't take the chance, I just have to  
say.

Chorus:

Mercy never leaves when others walk  
away.

Mercy's there for you, so you don't ever have to be  
afraid.

When you're feeling hopeless, abandoned, and  
lost.

Mercy pleads your case before the  
cross.

Mercy never leaves.

Verse 2:

Ohhh, there is hope, though you can't see it  
now.

And you will be so amazed at how this song turns  
out.

In your darkest hour, just hold  
on.

You will make it through.

Take courage and be  
strong.

Chorus:

Mercy never leaves when others walk  
away.

Mercy's there for you, so you don't ever have to be  
afraid.

When you're feeling hopeless, abandoned, and  
lost.

Mercy pleads your case before the  
cross.

Mercy never leaves.

Bridge:

"You are worthy!", Mercy cries.

"To be rescued,

to be brought inside".

Chorus:

Mercy never leaves when others walk  
away.  
Mercy's there for you, so you don't ever have to be  
afraid.

When you're feeling hopeless, abandoned, and  
lost.

Mercy pleads your case before the  
cross.

Mercy never leaves. Outro:  
"You are worthy!", Mercy cries.  
(Mercy never leaves)  
"To be rescued, (Yeah)  
to be brought inside".
