WALKING ON WATER

NEEDTOBREATHE

The wind is strong
The water is deep
My heart is heavy and my mind won't sleep
Oh can you hear?
My fear it reads
I need to know if you're the shadow I can seeI wanna run to you
When the waves break through
I wanna run to you and not turn backThere's no turning back
Nothing in the past
My eyes are on you again
Can't see nothing at all
But you're outstretched arms
Helped me believe in
Though I faulter
You got me walking on water
The ocean singing
The song of grace
But if I'm honest with myself I'm still afraidI wanna run to the
When the waves break through
I'm gonna run to you
And not turn backThere's no turning back
Nothing in the past
My eyes are on you again
Can't see nothing at all
But you're outstretched arms
Helped me believe in
Though I faulter
You got me walking on water
I was sinking like a stone again
I was half way in the grave and then
I looked up and saw you're face again
You pulled me out of the water, water, waterThere's no turning back
Nothing in the past
My eyes are on you again
Can't see nothing at all
But you're outstretched arms
Helped me believe in
Though I faulter
You got me walking on water

Though I faulter
You got me walking on water, water, water
You got me walking on water
Water
Water
Water
