

# Shadow (Acoustic)

Austin Mahone

You walk into the room  
So perfect but unaware  
Making me stop and stare  
Every time I heard he broke your heart  
Can I just fix you girl?  
Show you a different world? I'll take you anywhere  
I'll put you on a throne  
I'll lay down my heart, I swear  
And I'll make sure that you'll never be alone Only my shadow knows  
How I feel about you  
Only my shadow goes  
Where I dream of you and me  
Should I go or wait?  
Is it too soon, too late?  
Only my shadow knows I've been loving you so long  
And now that I got the chance  
I see you need to dance on your own  
So I'll wait another day  
Maybe another year  
I'm gonna be right here, oh I'll take you anywhere  
I'll put you on a throne  
I'll lay down my heart, I swear  
And I'll make sure that you'll never be alone (alone) Only my shadow knows  
How I feel about you  
Only my shadow goes  
Where I dream of you and me  
Should I go or wait?  
Is it too soon, too late?  
'Cause only my shadow knows I wish I could say all these words  
All these things that your heart never heard, yeah  
But I saw the pain in your eyes and it sealed my lips Only my shadow knows  
How I feel about you  
Only my shadow goes  
Where I dream of you and me  
Should I go or wait?  
Is it too soon, too late?  
Only my shadow knows, ey  
Only my shadow knows, oh oh Only my shadow knows
