Yo, yo, yo, yo, cutie, do you have a cutie?
If you ain't cutie, just let me know
'Cos I'm lookin' for a cutie, just like you cutie
What ta think, cutie, are we good to go?
Yo, yo, yo, yo, cutie, do you have a cutie?
If you ain't cutie, just let me know
'Cos I'm lookin' for a cutie, just like you cutie
What ta think, cutie, are we good to go?
I been checkin' you out, boy, without a doubt
You got my attention, you are cutie
Pullin' over my ride, just to be by your side
Just a minute of your time is all I need, cutie
Baby, your smile is amazin', your body is blazin'
Gon' be chasin' to make you my cutie
So honey, take this piece of paper
Write down your numba, I'll call ya, is that cool, cutie?
Yo, yo, yo, yo cutie, do you have a cutie?
If you ain't cutie, just let me know
'Cos I'm lookin' for a cutie, just like you cutie
What ta think, cutie, are we good to go?
Yo, yo, yo, yo, cutie, do you have a cutie?
If you ain't cutie, just let me know
'Cos I'm lookin' for a cutie, just like you cutie
What ta think, cutie, are we good to go?
Boy, if ya new in town, come let me show you around
'Cos you don't have to be a lonely, cutie
Here's my number at home, call me when you're alone
You can store it in your phone numbers, cutie
I can see in your eyes, I'm the kinda girl that you like
Smilin' 'cos you know that I'm right, cutie
The way you work your thang
Make a sista wanna buy you a ring, go and get it
Yo, yo, yo, yo cutie, do you have a cutie?
If you ain't cutie, just let me know
'Cos I'm lookin' for a cutie, just like you cutie
What ta think, cutie, are we good to go?
Yo, yo, yo, yo, cutie, do you have a cutie?
If you ain't cutie, just let me know
'Cos I'm lookin' for a cutie, just like you cutie

What ta think, cutie, are we good to go?
Let me break this down
I wanna know ya, take ya out to eat
How you feel 'bout switchin' clothes with me?
Yo, let me chase ya, boy, till you fall for me
Jump in the coupe, boy, come take a ride wid me
I'll take ya places honey, you only dream of
I can show you how it feels to have a real love
I wanna brag about ya, make ya so happy
I got ya speakin' in another language, come on, daddy
Yo, yo, yo, yo, cutie, do you have a cutie?
If you ain't cutie, just let me know
'Cos I'm lookin' for a cutie, just like you cutie
What ta think, cutie, are we good to go?
Yo, yo, yo, yo, cutie, do you have a cutie?
If you ain't cutie, just let me know
'Cos I'm lookin' for a cutie, just like you cutie
What ta think, cutie, are we good to go?
Yo, yo, yo, yo, cutie, do you have a cutie?
If you ain't cutie, just let me know
'Cos I'm lookin' for a cutie, just like you cutie
What ta think, cutie, are we good to go?
Yo, yo, yo, yo, cutie, do you have a cutie?
If you ain't cutie, just let me know
'Cos I'm lookin' for a cutie, just like you cutie
What ta think, cutie, are we good to go?
Yo, yo, yo, yo, cutie, do you have a cutie?
If you ain't cutie, just let me know
'Cos I'm lookin' for a cutie, just like you cutie
What ta think, cutie, are we good to go?
Yo, yo, yo, yo, cutie, do you have a cutie?
If you ain't cutie, just let me know
'Cos I'm lookin' for a cutie, just like you cutie
What ta think, cutie, are we good to go?
