

# I Wonder (feat. Refi Sings)

## Jaziel Brothers

I remember the days  
When you always hit the right chords  
But, when I look in your eyes  
I get a feeling like you're unsure  
Like you don't know anymore

I am confused  
Ngikhathele  
Am I for you make up your mind  
Open your eyes  
Speak from your heart  
I need to know  
Are you mine

Ingaba ngu yena lo  
I wonder  
Ngu yena lo  
Nami ngiyasbuza  
Ingaba ngu yena lo  
I wonder  
Ngu yena lo  
Nami ngiyasbuza

When he (she) says to me  
I love you ohh  
When he says to me  
I need you  
I say  
When he says to me  
I love you oh oh  
When he says to me sthandwa sa'm oh yeah

Take a moment to breath  
Your caress feels so inviting  
Yet you're fighting your love  
From my head to my feet  
Your gaze shocks me like it's lightening  
But it burns me all up

I am confused

Ngikhathele  
Am I for you  
make up your mind  
Know youâ€™re incharge  
MY heart is yours  
But to my love  
Are you blind

Ingaba ngu yena lo  
I wonder  
Ngu yena lo  
Nami ngiyasbuza  
Ingaba ngu yena lo  
I wonder  
Ngu yena lo  
Nami ngiyasbuza

When he (she) says to me  
I love you ohh  
When he says to me  
I need you  
I say (baby baby)  
When he says to me  
I love you oh oh  
When he says to me sthandwa saâ€™m oh yeah

Ohhh  
Guye guwe  
Guye guwe  
Guye guwe  
Guye aye

Ingaba guyena lo  
I wonder  
Guyena lo  
Nami ngiyasbuza

When (s)he he says to me I love you  
When (s)he says to me I need you  
I say (baby baby)  
When (s)he says to me I love you  
When (s)he says to me sthanda saâ€™Mam
