

# Mad Foxes

## Destroyer

Mad foxes - look I saw them all and I wanted all of them.

Berlin is for lovers.

It will never fall,

But you can and you will!

Any hope for a love can be killed when

Death waits for us, silently, to be free,

Saying - "Your body is bad but your mind is OK."

Oh, she was never going to go there anyway, anymore...

Anyway...Who exactly do you think you're accessing

When you're being

So community-minded?

Look, they took us from behind and said - "Hey, that's shit for sharing!"

And "I love what you're wearing.

Where did you get it anyway? And what d'you pay?"

We held up our vile end!
