

# Final Product

## 3TEETH

Faceless lies  
without traces  
aimless tries  
in eroded places Moulded to the mind  
Assembled to resemble  
leaving you blind  
as the final product Misconduct  
or Self Destruct Misconduct  
or Self Destruct Shameless buys  
Stuffing faces  
Staying high on chasing praises  
Moulded to the mind  
Assembled to resemble  
leaving you blind  
as the final product Misconduct  
or Self Destruct Misconduct  
or Self Destruct Misconduct  
or Self Destruct Misconduct  
or Self Destruct Faithless cries  
defeated Faces  
Fearless eyes  
of master races  
moulded to the mind  
Assembled to Resemble  
leaving you blind  
You're the final product Misconduct  
or Self Destruct Misconduct  
or Self Destruct Misconduct  
or Self Destruct Misconduct  
or Self Destruct Misconduct  
or Self Destruct  
or Self Destruct
