# Flare (feat. Kat Kennedy)

## Channels

My mind's made clear
Ringing like a drone.
I've done my time
Sitting on the show.

I hear it in the air
Saying: "Let her go,"
A constant steady drone
Guides me like a flare
So bright and bold
Pulling me back home

Ohhh, ohhh, ohhh.

Ohhh, ohhh, ohhh

I hear it in the air
Saying: "Let her go,"
A constant steady drone
Guides me like a flare
So bright and bold
Pulling me back home

Ohhh, ohhh, ohhh

I hear it in the air
Saying: "Let her go,"
A constant steady drone
Guides me like a flare
So bright and bold
Pulling me back home
