# Call Me

## Kandystand

If you're feeling sad and lonely
There's a service I can render
Tell the one who loves you only
I can be so warm and tender
Call me, don't be afraid
You can call me, maybe it's late
But just call me
Tell me and I'll be around
When it seems your friends desert you
There's somebody thinking of you
I'm the one who'll never hurt you
Maybe that's because I love you
Call me, don't be afraid
You can call me, maybe it's late
But just call me
Tell me and I'll be around
Now don't forget me
Because if you let me
I will always stay by you
You got to trust me
That's how it must be
There's so much that I can do
If you call, I'll be right with you
You and I should be together
Take this love I long to give you
I'll be at your side forever
Call me, don't be afraid
You can call me, maybe it's late
But just call me
Tell me and I'll be around
Call me, don't be afraid
You can call me, maybe it's late
But just call me
Tell me and I'll be around
