

Photographic (Rexx The Dog Dubb Mix)

Depeche Mode

A white house, a white room
The program of today
Lights on, switch on
Your eyes are far away
The map represents you
And the tape is your voice
Follow all along you
Till you recognize the choiceI take pictures
Photographic picturesBright light
Dark room
Bright light
Dark roomI said I'd write a letter
But I never got the time
And I'm looking to the day
I mesmerize the light
