Mockingbirds

Nowherebound

Mockingbirds

Well we sang the songs of right and wrongs,
We brought along the anthems of our heartsâ€¦
Weâ€™re mockingbirds, into the night we singâ€¦
And we sing on

Through old guitars in smoky bars
Weâ€™re spinning yarns of love, both lost and true
These songs have all been written out to youâ€¦
And we sing on

So if your heartâ€™s too worn to beat,
Lay all your troubles at your feet,
Gracefully kick them down the streetâ€¦
And sing onâ€¦

Weâ€™ll sing with you, a tune or two,
Together to the rafters, here we goâ€¦
From all of us to everyone we know
Our thanks until we see you at the show
Farewell our voices ringing high and lowâ€¦
And please sing on.
