I Think I'm In Love

Lea Salonga

(cecile azarcon)Is, this love
Feeling restless inside
Wanting you
To always be my side
I don't even want you out of my side
You are in my thoughts all day and night
I can't get you out of my mind
I think I'm in loveRefrain:
I think I'm in love
Think I'm in love with you
Every single day
Every single night
Every single moment of my life
I want to spend them all with you
I think I'm in love
I think I'm in love
I think I'm in love with you
Tell me that you care
Tell me...please
Tell me that you also feel
The way that I do...Can't describe
Words are just not enough
Can't explain
It all happened so fast
What exactly am I feeling right now
If this is love I got to know somehow
Just how long this madness will last
'cause I think I'm in loveI think I'm in love
Think I'm in love with you
Every single day
Every single night
Every single moment of my life
I want to spend them all with you
I think I'm in love
I think I'm in love
I think I'm in love with you
Tell me that you care
Tell me...please
Tell me that you also feel

The way that I do...I think I'm in love
Think I'm in love with you
Every single day
Every single night
Every single moment of my life
I want to spend them all with you
I think I'm in love
I think I'm in love
I think I'm in love with you
Tell me that you care
Tell me...please
Tell me that you also feel
The way that I do...Ohh ahh...
