

Silence and I

Alan Parsons

(lead vocal - eric woolfson)If i cried out loud
Over sorrows i've known
And the secrets i've heard
It would ease my mind
Someone sharing the load
But i won't breathe a wordWe're two of a kind
Silence and i
We need a chance to talk things over
Two of a kind
Silence and i
We'll find a way to work it outWhile the children laughed
I was always afraid
Of the smile of the clown
So i close my eyes
Till i can't see the light
And i hide from the soundWe're two of a kind
Silence and i
We need a chance to talk things over
Two of a kind
Silence and i
We'll find a way to work it outI can hear the cry
Of the leaf on a tree
As it falls to the ground
I can hear the call
Of an echoing voice
And there's no one aroundWe're two of a kind
Silence and i
We need a chance to talk things over
Two of a kind
Silence and i
We'll find a way to work it out
