Look After You

Aron Wright

When you think you're all alone
I'll wrap you up and I'll take you home
No matter what you're going through
I will look after youWhen you get knocked down and you've had enough
Oh I'll be there to dust you off
When you don't know what you're gonna do
I will look after youAnd if you ever should lose hope
Follow my light from afar
When you don't know where you're going to
I will look after you
I will look after you
Someday it will come to you
I'll need you to look after me
